## PREFACE

This publication contains the geographic location plots of the photography on Mission H 3066, dated 21 February 1962. These plots are presented on a WAC format that has been reduced for convenience to approximately 60 percent of the original size. There are eight plot sheets in this publication arranged in ascending order by control number.

The flight-line index on page iii indicates the approximate track of Mission H 3066. That portion of the track over the Paracel Islands has been excluded from the flight-line index. However, plots of the photographic coverage of the Paracel Islands are shown on NPIC/P 299-62, WAC 618.
